

MAPD plans to fit every need and every budget

Most popular \$0 plans:

Our \$0 premium plans include the benefits you need and the extras you want—hearing, vision, dental, fitness and an over-the-counter (OTC) allowance to name a few.

PriorityMedicare KeySM (HMO-POS) – The plan so many in Michigan know and love with \$0 combined medical deductible, \$0 prescription deductible for generic drugs, low PCP and specialist copays and more. Plus, a \$50-\$75 OTC allowance depending on your region.

PriorityMedicare EdgeSM (PPO) – This plan comes complete with all the zeroes—a \$0 monthly premium, \$0 medical deductible, \$0 PCP copay, \$0 labs, \$0 Rx deductible and more. Plus, a \$50 OTC allowance and companion care available to all members. Available in regions 1, 2, and 5.

PriorityMedicare CompassSM (PPO) – New this year is a \$0 PPO available in regions 3 and 4 complete with \$0 premium, \$0 medical deductible, \$0 PCP copay and more. Plus, a \$25 OTC allowance.

Way more than Original Medicare for \$0

PriorityMedicare VitalSM (PPO) – Get everything you like about Original Medicare, plus everything you wish it had. Think a hassle-free open network with a drug plan, rich supplemental benefits, like hearing, vision, dental and fitness, a \$30 per month Part B premium credit and more. Available in regions 1, 2, and 5.

Best plans for chronic condition management

The best plans for helping you manage your chronic conditions—with insulin coverage in the “donut hole” (included on Value) and companion care with our partner, Papa, for those who need help with grocery delivery, using technology and more (included on Ideal). Available in all regions.

PriorityMedicare ValueSM (HMO-POS) – This plan is great for diabetics, with insulin coverage in the gap, \$10 labs, \$0 in-network medical deductible, \$0 for nutritional education with a dietician and more. Members pay tier 2 copays for Humalog and Humulin 100 unit/mL products and \$35 for Lantus and Toujeo in the initial coverage stage and when in the gap.

PriorityMedicare IdealSM (PPO) – A \$19-\$25 plan for members who need a little more coverage, with \$0 combined medical deductible, \$0 Rx deductible for generics (tiers 1 and 2), lower combined max out-of-pocket, lower specialist copay, \$75/quarter OTC allowance and 8 hours/month of companion care.

Highest coverage plans available in all regions

The highest coverage plans with lower copays, no prescription drug deductible and a low minimum out-of-pocket limit for total peace of mind.

PriorityMedicare MeritSM (PPO) – This plan is our tried and true PPO with \$0 combined medical deductible, \$0 Rx deductible, \$4,100 combined max out-of-pocket and now has \$0 virtual visits with a behavioral health provider, in addition to PCPs and specialists. Plus, better access for out-of-state¹ travel with the MultiPlan[®] Medicare Advantage network.

PriorityMedicareSM (HMO-POS) – Our tried and true HMO-POS is great for members who don't want an Rx deductible and need low-cost drugs. It boasts a \$0 in-network medical deductible, \$0 Rx deductible, \$10 PCP, \$0 virtual visits with a PCP, specialist and behavioral health provider, as well as better access for out-of-state¹ travel with the MultiPlan[®] Medicare Advantage network.

PriorityMedicare SelectSM (PPO) – This plan has rich medical benefits for those who need them with \$0 combined medical deductible, \$0 Rx deductible, \$3,500 combined max out-of-pocket and low hospital copays. Plus, enhanced out-of-state¹ travel with the MultiPlan[®] Medicare Advantage network.

Dually eligible plan

PriorityMedicare D-SNPSM (HMO) – Our \$0 D-SNP in all regions is great for those with Medicare and Medicaid coverage, multiple chronic conditions and disabilities and those who face social risk factors that contribute to poor health outcomes. This plan includes 8 hours/month of companion care services, including 30 miles round trip transportation per visit, \$145/quarter OTC allowance, improved dental to include a brush biopsy, non-Medicare covered chiropractic and acupuncture to help manage pain, and memory fitness with BrainHQ. All services covered by Original Medicare are a \$0 liability for the D-SNP member. New this year, you may call the Priority Health agent line to validate Medicaid eligibility.

Unlimited worldwide emergency & urgent care

¹ Priority Health's Medicare network includes limited lower-cost, preferred pharmacies across the United States. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 888.389.6648, TTY users call 711, or consult the online pharmacy directory at prioritymedicare.com.

² Out-of-network/non-contracted providers are under no obligation to treat Priority Health members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Priority Health has HMO-POS and PPO plans with a Medicare contract. Enrollment in Priority Health Medicare depends on contract renewal.
